# 93%

of program participants stated the SBL Youth Space is a **unique space where students with a variety of interests from different backgrounds come together**

## Testimonials

I like to have a place where my friends and I can go, and I found that at SBL.

**I feel the youth space is somewhere I can go to for help**

Having staff I can go to for anything I need means a lot to me.

Spending time at SBL gives me the space I need to step away from everything else I have going on.

**After school is my favourite time of day because I can do so much at SBL that I actually enjoy.**
